🎓 Experienced Tutor | Tsinghua University | MSc in Mathematics

I earned an MSc in Mathematics from Tsinghua University and have more than 10 years of experience tutoring IB, A-Level, and IGCSE Maths. I guide students from various backgrounds, helping them master challenging areas like calculus and statistics to succeed in their exams.

Teaches: IB Maths A-Level Maths IGCSE Maths GCSE Maths AP Calculus

Curriculum: IB A-Level GCSE IGCSE AP

Qualifications

Tsinghua University: MSc in Mathematics (2010–2012)

Fudan University: BSc in Mathematics (2006–2010)

Vetted Tutor

Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

In my 10 years of tutoring, I've worked with students from various international curriculums, including IB, A-Level, IGCSE, and AP. Many of my students have gone on to top universities worldwide, and I've supported them through key topics like algebra, calculus, and probability.

Throughout my teaching career, I have tailored lessons to individual student needs, helping them develop a deep understanding of maths and build the confidence to tackle exam challenges. I regularly work through past papers and create topic-specific worksheets to ensure students are well-prepared.

I also encourage problem-solving techniques that allow students to approach questions logically and efficiently. My experience spans classroom teaching and one-on-one tutoring, offering the flexibility to guide students of all levels toward academic success.
