🎓 IB Teacher | University of Munich | BSc in Physics

With a BSc in Physics from the University of Munich and 4 years of tutoring IB and A-Level Physics, I've supported students across Germany and internationally, simplifying mechanics, electromagnetism, and calculus to boost their exam performance.

Teaches: IB Physics A-Level Physics IGCSE Physics GCSE Physics AP Physics

Curriculum: IB A-Level GCSE IGCSE AP

Qualifications

University of Munich: BSc in Physics (2014–2018)

Technical University of Munich: MSc in Physics (2018–2020)

Vetted Tutor

Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

For the past four years, I've tutored students in IB, A-Level, and IGCSE Physics, ensuring they grasp complex topics like quantum mechanics and thermodynamics. My students have consistently improved their understanding and performance in these subjects, often achieving top scores in exams.

In addition to physics, I've also guided students through AP Physics and GCSE Physics, focusing on critical thinking and practical applications of physics. My experience working with diverse curricula has helped me adapt lessons to meet the unique needs of each student.
