### 🎓 Experienced Tutor | University of Bologna | PhD in Chemistry

Equipped with a PhD in Chemistry from the University of Bologna and a BSc in Chemical Engineering from Politecnico di Milano, I specialise in IB, A-Level, and AP Chemistry tutoring. Over 15 years, my students have consistently achieved top exam results, including A\* and A+.

Teaches: [IB Chemistry](#) [A-Level Chemistry](#) [IGCSE Chemistry](#) [GCSE Chemistry](#)

[AP Chemistry](#)

Curriculum: [IB](#) [A-Level](#) [GCSE](#) [IGCSE](#) [AP](#)

## Qualifications

**University of Bologna:** PhD in Chemistry (2005–2009)

**Politecnico di Milano:** BSc in Chemical Engineering (2001–2005)

## Vetted Tutor

## Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

## Tutoring Experience

For the past 15 years, I've worked with students worldwide, helping them excel in IB, IGCSE, and A-Level Chemistry. My experience includes preparing students for rigorous exams, ensuring they have a deep understanding of both organic and inorganic chemistry concepts. Many of my students have successfully entered prestigious universities.

I conduct regular mock exams based on board-specific formats to help students familiarise themselves with the exam style. With tailored feedback, I focus on areas for improvement, resulting in higher academic performance. My commitment to guiding students has been reflected in their exceptional results.

Beyond secondary education, I've also mentored undergraduates in advanced topics such as organic chemistry and chemical kinetics. I strive to make complex subjects accessible and ensure that my students are confident and well-prepared for their academic future.
