## Tutoring Experience

With 15 years of experience in psychology tutoring, I have worked with students from diverse educational backgrounds, helping them excel in their IB, A-Level, and AP Psychology courses. I specialize in making complex psychological theories relatable and understandable, ensuring that students are well-prepared for their exams.

I have also supported students with special learning needs, providing personalized guidance to help them thrive academically. My tutoring sessions focus on fostering a deep understanding of psychology, equipping students with the skills and knowledge they need to achieve success in both their coursework and future studies.
